# Presidents Msg

To all participants,

On behalf of Mid Huron Huskies Minor Hockey, we are proud to welcome you to this year's Grant Lee Memorial tournament. This event is a highlight of our season, and it would not be possible without the incredible support, commitment, and spirit of our community.

We would like to extend our heartfelt thanks to the many community members and local businesses whose generosity continues to make events like this one successful. Your ongoing support not only helps our young athletes grow in the game of hockey but also strengthens the connections that make our community so special.

A sincere thank-you goes out to our dedicated volunteers. From early-morning rink setups to timekeeping, organizing raffles, and everything in between, your countless hours ensure that every player and family enjoys a memorable experience. Your efforts truly are the backbone of this tournament.

We would also like to recognize and thank the Lee family for their continued support. Their contributions and commitment to this tournament have had a lasting impact, and we are grateful for their involvement year after year.

Finally, to all the teams who have travelled to join us — welcome. We appreciate the time, effort, and dedication it takes to participate, and we are honoured to host you. We hope you enjoy great competition, sportsmanship, and a fantastic weekend of hockey.

Thank you again to everyone who has helped make this tournament possible.

Best of luck to all teams, and enjoy the games!

Let's have a great tournament!

Amber Goetz

# 110% Award

## What is it?

---

**Grant Lee was a devoted dentist, proud family man, and passionate community supporter. Known for his friendly smile and generous spirit, he cheered loudly at his daughter's games and often traded dental work for local services to strengthen community ties. This tournament honors his values—effort, determination, and community spirit. Each team will receive a special puck to hand out at the completion of the tournament that we are calling the “110% Award” and is presented to the player who gives their all, pushes their limits, inspires their teammates, and shows the kind of heart Grant brought to everything he did.**

# Grant Lee Memorial

**Grant Lee was passionate about sports, smiles, and supporting his local community. Dr. Grant Lee, DDS operated the Clinton Dental Clinic for nearly 30 years. Before that, he built and operated a practice in Zurich. He was a kind and gentle man, yet a powerful life-force in the community. Grant was enthusiastic about his profession and could chat dentistry for hours. When he wasn't at the clinic he could be seen playing golf, ice hockey, maintaining the lawn at his office (something he took great pride in doing), or snowmobiling. He was also frequently seen cheering at his daughters' baseball and volleyball games. He strongly believed in supporting local businesses whenever possible. The Lee Family would like to thank the Mid-Huron Minor Hockey Association, and the greater community, for the opportunity to remember Grant through this special event. If he were here today, he would be among the enthusiastic fans cheering from the stands.**

Further, any attempt by any team official, player or parent to FURTHER verbally or physically intimidate any game official, tournament participant, tournament volunteer, or spectator will result in expulsion from the tournament of the entire team, with no refund of any tournament registration fees. The final decision regarding expulsion will be made by the Tournament Director and will not be negotiable once made.

Team officials are not to take the iPads from the tournament office.
2. Round Robin, Semi Final and Final Games will be 10-10-15. No overtime or time outs in round robin games. One 30-second timeout per team will be allowed in Semi Final & Final games. U18 games will flood every 2 periods.
  3. Round robin games will be played for points as follows
    - 2 points for a win
    - 1 point for a tie
    - 0 points for a loss

In the event of a tie in points at the conclusion of round robin play, the following sequential procedure will be used to break the tie.

Win/Loss Record

Head to Head

Goals for/goals against plus goals for  $(GF/(GF+GA))$  highest average %

Least Penalty minutes

Flip a coin

Overtime in Final games (No overtime in Round Robin play) will consist of a 10 minute sudden victory period with 3 skaters and 1 goalie. If a team is penalized in overtime, teams will play 4 on 3 until the penalty expires.

When the penalty expires the play will continue 4 on 4 until the first whistle then will return to 3 on 3.

If still tied after 10 minute overtime, a 3 player shootout will follow. If the score still remains tied, a sudden victory shootout will occur. All skaters must shoot before any shooter may shoot a second time. Shooters will go at the same time.

Teams may pull their goalie during sudden victory periods.

Home ice for all final games shall be designated by the tournament schedule

In the event of a jersey conflict, the home team will change their jerseys.

4. Mercy rule will apply for a 5 goal differential moving the game to straight time until the end of the game or the differential drops below 5 again.

5. All referee calls are final

Any penalties or suspensions will be determined by the referees and will follow OMHA guidelines. Suspensions will be served during the tournament.

Additional games/penalties due to outside circumstances will be determined by OMHA after submission of tournament information upon completion.

6. The tournament director reserves the right to make all decisions regarding tournament rules, regulations or protests.

In the case of inclement weather, if a team is unable to make a scheduled game, then a 1-0 score will be given to the opposing team. Games will not be canceled by the tournament coordinator due to inclement weather.

Games will start NO MORE THAN 20 minutes ahead of schedule if referees/linesmen are ready. Teams are not to go on the ice until at least 1 ref is present.

# Jamboree Rules

## 2026 Grant Lee Memorial Jamboree Jamboree Rules & Regulations

The guidelines for hosting a "Jamboree" for initiation aged players has a focus oriented on fun. Mid Huron Minor Hockey is focused on making minor hockey a positive experience for all involved from players, coaches, parents and fans. This is NOT a tournament; it is for FUN! No scoring, standings, or statistics will be recorded.

This is an OMHA sanctioned Jamboree. OMHA and OHF rules apply. Each team is guaranteed a minimum of four (4) games.

Jamboree Games will be a modified half-ice format with the nets set up as per OMHA guidelines. The lightweight blue puck will be used (supplied by MHMHA). Face-offs will only occur to start each game. It will be a 5 versus 5 format (including the goalie), unless both teams agree to an alternate number of skaters prior to game start. Please have 1 bench staff per team on the ice with each game.

Shift length is set on a 2-minute buzzer; games are set at 40 minutes. No penalties, offsides, or icings are to be called. If your team plays before/after the flood we would appreciate your on ice bench staff to support moving the boards for ice resurfacing.

There will be no warm ups prior to each game. Teams are expected to be ready to go on the ice 10 minutes prior to their scheduled start time. Failure to do so may result in shortened game lengths to maintain the Jamboree's set schedule.

Parents and guests are the responsibility of the team. Inappropriate parent or guest behaviour towards the competing team, any children, officials, coaches, arena staff, Jamboree staff, OMHA staff and/or other parents may result in the expulsion of the team from the tournament.
