To the visiting teams, thank you for traveling to be part of our tournament. We hope you enjoy the competition, the community, and the experience both on and off the ice.

Most importantly, best of luck to all the players!

Have fun, work hard, show respect, and enjoy every moment of the game.

Thank you for being part of a great weekend of hockey.

Team Hero Award

U9

What is it?

This award is given to a player who gives their best effort every shift, supports their teammates, and brings a positive attitude to the bench and the ice. A Team Hero may not always score the goals, but they help make the team better through hard work, kindness, and teamwork. This player shows what it truly means to be a great teammate.

Tournament Rules

Further, any attempt by any team official, player or parent to FURTHER verbally or physically intimidate any game official, tournament participant, tournament volunteer, or spectator will result in expulsion from the tournament of the entire team, with no refund of any tournament registration fees. The final decision regarding expulsion will be made by the Tournament Director and will not be negotiable once made. GAME PLAY RULES

Round Robin, Semi Final and Final Games will be 10-10-10. No overtime or time outs in round robin games. One 30-second timeout per team will be allowed in Semi Final & Final games.

Round robin games will be played for points as follows

2 points for a win

1 point for a tie

0 points for a loss

In the event of a tie in points at the conclusion of round robin play, the following sequential procedure will be used to break the tie.

1. Most wins

2. Head to Head record among tied teams

3. Goals for/goals against plus goals for $(GF/(GF+GA))$ highest average %

4. Least Penalty minutes

5. Coin Flip

Multi-Team Ties:

If three or more teams are tied, the applicable tie-breaker shall be applied to determine the highest-ranked team, which shall advance. If the remaining teams remain tied, the tie-breaker process shall restart at Rule 1 and continue until all positions are determined.

Overtime in Final games (No overtime in Round Robin play) will consist of a 10 minute sudden victory period with 3 skaters and 1 goalie. If a team is penalized in overtime, teams will play 4 on 3 until the penalty expires. When the penalty expires the play will continue 4 on 4 until the first whistle then will return to 3 on 3.

If still tied after 10 minute overtime, a 3 player shootout will follow. If the score still remains tied, a sudden victory shootout will occur. All skaters must shoot before any shooter may shoot a second time. Shooters will go at the same time.

Teams may pull their goalie during sudden victory periods.

Home ice for all final games shall be designated by the tournament schedule

In the event of a jersey conflict, the home team will change their jerseys.

Mercy rule will apply for a 5 goal differential moving the game to straight time until the end of the game or the differential drops below 5 again.

All referee calls are final

Any penalties or suspensions will be determined by the referees and will follow OMHA guidelines. Suspensions will be served during the tournament.

Additional games/penalties due to outside circumstances will be determined by OMHA after submission of tournament information upon completion.

The tournament director reserves the right to make all decisions regarding tournament rules, regulations or protests.

In the case of inclement weather, if a team is unable to make a scheduled game, then a 1-0 score will be given to the opposing team. Games will not be canceled by the tournament coordinator due to inclement weather.

Games will start NO MORE THAN 20 minutes ahead of schedule if referees/linesmen are ready. Teams are not to go on the ice until at least 1 ref is present.
